

Resident Spotlight

Elsie

Elsie is a real treasure with a heart of gold. Her kindness radiates through her. At 94 years young, nothing slows her down. She is heavily involved in activities, she helps out in the bistro, and you can even find her sweeping the bistro floor or giving private Mexican Train lessons because she likes to care for her home and the people in it. She also cares for our furry friends by always having treats in her walker. We love you, Elsie!

Team Member Spotlight

Diane takes pride in giving the residents the best care and advocates passionately for them. She is beloved by everyone. She has three children and loves spending time with her four grandchildren. In her free time, she loves to spend time in her garden, and make jam.

December was a busy month full of Holiday Fun.

Thank you to the White family for showing us how to make wreaths.

The Jacksonville Victorian Parade had the Pioneer Village Elves dancing in the streets.
