

## Resident Spotlight

**Joan**

Joan is a longtime resident of Pioneer Village. She even lived right up the street before moving in many years ago. Joan is a very fun resident to be around. To her, age is just a number and she's never let it stop her from having a good time or a good adventure. Joan is a part of the Welcoming Committee and takes her job very seriously, making sure all new residents feel at home.

## Team Member Spotlight

**Gypsy – Med Tech**

Gypsy is our employee of the Month. She was chosen for her ability to take everything that comes at her head on and her willingness to help other staff members. You will always see her with a smile on her face and her continued positivity brings joy to all who work with her. She is originally from Colorado and when she is not at work she enjoys being outdoors and diving into creative hobbies like beading and painting.

### Scout Project:

We were honored to be a part of helping one of our local scouts get one step closer to their eagle scout status.

Mia, who has a passion for photography, took photos of our residents and we created a scrapbook.
